## **“It’s All About 8” for Miami-Dade Voters**

(Miami-Dade)--“It’s all about eight,” said County Manager George M. Burgess, echoing the slogan of a new county-wide outreach effort for the *2004 Building Better Communities Bond Program* to a group of civic and business leaders during the September 8<sup>th</sup> kick off event at the Miami Art Museum.

“Our goal is simply to educate and inform Miami-Dade voters about the eight *Building Better Communities* referendum questions that will appear on the November 2<sup>nd</sup> General Election Ballot,” said Burgess. “It’s all about improving our neighborhoods---investing in our community’s future—eight more reasons to vote!”

According to Burgess, the County will enlist the help of community leaders and County staff to bring the message to voters. Informational collaterals will be made available to the public through Miami-Dade County libraries, Team Metro offices and other County and municipal service centers.
